All pricing is based on double occupancy. Upon request, we will make every effort to match a single customer with another party interested in sharing a room.

number of rooms, we are only able to offer a limited number of single occupancy rates. Those are available on a first-come, first-serve basis at \$5,595 USD.

Please Note: Single rooms in the United Kingdom are often much smaller than double rooms. Paying a single supplement does not guarantee you a full-size double room.
